Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>Network</u> : \$1,700.00 Individual / \$3,400.00 Family <u>Non-Network</u> : \$3,400.00 Individual / \$6,800.00 Family <u>Deductibles</u> cross-apply	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive Care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No, there are no other <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this <u>plan</u> covers.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	<u>Network</u> : \$3,500.00 Individual / \$7,000.00 Family <u>Non-Network</u> : \$7,000.00 Individual / \$14,000.00 Family <u>Out-of-pockets</u> cross-apply	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limits</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, penalties for failure to obtain <u>prior authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> . Note: Out of Network services that are not pre-approved and are not medically necessary will not be paid by the <u>plan</u> and will be your responsibility.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.welcometouhc.com or call 1-833-314-1806 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
